FROM THE PASTOR/DEL PADRECITO

Dear Parishioners,

Growing up in a family we were pretty limited in the spice and flavor department. I am grateful for all the work that my mom did in providing consistent meals for our family and the love that she put into them. The truth is that we didn't have much more than some salt and garlic with the occasional pepper included in the dishes we consumed. We weren't put a lot of salsa roja o verde on our dishes and we certainly didn't pop some habaneros in our mouths. In time my tongue has come to appreciate the depth of flavor that these species can bring. All this is to say that this image of us being the salt of the earth such a rich one. Like salt, we are meant to bring the flavor of grace to a bland and bored world. Like salt, we are meant to preserve that which is precious over a longer period of time. The right amount of salt helps with hydrations, sleeping and the work of the muscles. We don't have to be the bitter type of salty but we can be flavorful, resilient, and a type of person that binds everyone together.

Cristo Rey Community Center Mass

I am curious how many of you have been to the renovated chapel at the Cristo Rey Community Center. In the last year they have renovated the space to have a clean, and beautiful look for a place of prayer and worship. I have been there a couple times to celebrate Mass already and I am going to make a regular habit of doing so going forward. This coming Friday I will celebrate the noon Mass there and there will be a blessing for those facing illness on the eve of the Church's World Day for the Sick. You are welcome to join for the Mass and the blessing. I will be celebrating the Mass every second and fourth Friday of the month going forward from here.

Cursillo Weekends

I want to thank all of those who were involved with the Men's Cursillo this past weekend at our parish. There was a full team that put together the weekend for the candidates that participated (including 4 from Cristo Rey) and I know it was a powerful experience for those men involved. At the 9AM Mass we are going to hear a brief testimony from one of the participants from the weekend and how God worked in their life through this experience. It's essential that we provide a space here at Cristo Rey to encounter the true depths of God's love for us despite our sins and His desire for our salvation. This means we don't just go with the flow of life but are open to His supernatural grace for deeper conversion and allow the Holy Spirit to guide us. Starting this Thursday evening (February 9th) there will be the Women's Cursillo for this year. Nelli Flores and her team are in charge of this coming weekend and you can discuss with them the possibility of attending. It is a three-day retreat that truly can be transformative and life changing. Please talk to our Cursillo members if you want more of God as we approach the Lenten season soon.

Sincerely in Christ, Fr. Vincent Richardson

Estimados Feligreses,

Creciendo en una familia estábamos limitados en el área de las especias y el sabor. Estoy agradecido por todo el trabajo que mi mamá hizo en proveer comidas consistentes para nuestra familia y el amor que puso al prepararlas. La verdad es que no tuvimos mucho mas que sal y ajo con el pimiento ocasional en los platos que consumíamos. No teníamos mucha salsa roja o verde en nuestros platos y ciertamente tampoco habaneros en nuestras bocas. Con el tiempo he venido a apreciar el sabor profundo que estas especias pueden traer. Todo esto es para decirles que la imagen de nosotros siendo la sal de

la tierra es una imagen única. Como la sal, estamos llamados a traer el sabor de la gracia a un mundo que lo necesita. Como la sal, estamos llamados a preservar aquello que es precioso por un largo periodo de tiempo. Una cantidad correcta de sal ayuda con la hidratación, el sueño, y el trabajo de los músculos. No tenemos que ser el tipo amargo de sal, sino que podemos ser el tipo de persona con sabor, resistente, que mantiene a todos unidos

Misa en el Centro Comunitario de Cristo Rey

Me pregunto cuantos de ustedes han estado en la capilla renovada del Centro Comunitario de Cristo Rey. En el año pasado renovaron el espacio para tener un lugar hermoso y limpio para la oración y el culto. Ya he estado varias veces allí para celebrar la Misa y voy a celebrarla en lo adelante. Este próximo viernes celebraré la Misa del mediodía allí y bendeciré a los enfermos en la víspera del Día Mundial de los Enfermos de la Iglesia. Celebraré Misa cada segundo y cuarto viernes de mes a partir de ahora.

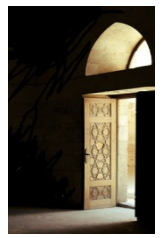

Fines de Semana de Cursillo

Quiero agradecer a todos aquellos que estuvieron envueltos en el Cursillo de Hombres el pasado fin de semana en nuestra parroquia. Hubo un equipo completo que preparó el fin de semana para los candidatos que participaron (incluyendo 4 de Cristo Rey) y sé que fue una experiencia poderosa para esos hombres. Vamos a escuchar un breve testimonio de uno de los participantes del fin de semana durante la Misa de 9AM y como Dios trabajó en sus vidas a través de esta experiencia. Es esencial que proveamos un espacio aquí en Cristo Rey para encontrar la verdadera profundidad del amor de Dios por nosotros a pesar de nuestras faltas y Su deseo por nuestra salvación. Esto significa que no vamos solo con la corriente sino más bien estar abiertos a su gracia supernatural para una conversión más profunda y dejar que el Espíritu Santo nos guíe. Comenzando este jueves por la noche, 9 de febrero, tendremos el Cursillo para Mujeres para este año. Nelli Flores y su equipo están encargadas de este próximo fin de semana y puedes conversar con ellas la posibilidad de asistir. Es un retiro de tres días que puede cambiar y transformar tu vida verdaderamente. Por favor habla con nuestros miembros del Cursillo si quieres acercarte más a Dios mientras se acerca la Cuaresma.

Sinceramente en Cristo, Padre Vicente Richardson

SALT AND LIGHT OF THE EARTH

Christian witness is meant to edify others and not to serve as path to self-promotion. We are called to provide “simple, habitual witness” to Jesus. Christian witness can mean giving

one’s life in martyrdom, after Jesus’ example. But another path is to point to Christ in our everyday actions, when we wake, work, and go to bed. “It seems like such a small thing, but miracles are done through small things.” Christian witness must be grounded in humility, which means being simple salt and light for others. Salt for others; light for others: Because salt does not give flavor to itself but serves others. Light does not illuminate itself but serves others. Supermarkets sell salt in small quantities, not by the ton. And salt does not promote itself because it doesn’t serve itself. It exists to serve others, by conserving things and giving flavor. This is simple witness. Daily Christian witness means being light for others, “to help them in their darkest hour. The Lord says: ‘You are salt; you are light.’... But do so in order that others see and glorify God. You will not even receive any merit. When we eat, we don’t compliment the salt. No, we say the pasta or meat is good... When we go to sleep at night, we don’t say the light is good. We ignore the light, but we live illuminated by light. This impels Christians to be anonymous witnesses.” Be careful not to act like the Pharisee who thanks the Lord for his holiness. “We are not the authors of our own merits.” “Everyday holiness”, means being salt and light for others.
